FLEXIBLE SPENDING ACCOUNTS (FSA)

As an employee of BJ Baldwin, you have the opportunity to contribute to a Flexible Spending Account (FSA). Ameriflex administers the FSA for BJ Baldwin.

- FSAs allow employees to reduce taxable income by setting aside pre-tax dollars to pay for qualified healthcare and dependent care expenses.

- Healthcare FSA: **\$3,200* maximum annual contribution (2024)**

- Eligible expenses include health plan deductibles and coinsurance, medical, dental, vision, prescriptions, and limited over-the-counter products.

- Dependent Care FSA: **\$5,000 maximum annual contribution (\$2,500 if married and filing separate tax returns)**

- Eligible expenses include after school programs, nursery/preschool tuition, daycare, etc.

- Contributed through payroll deductions

- Visit fsastore.com for an easy way to shop online for FSA eligible products.

•FSAs have a “use it or lose it” provision.

•Employees may only carry over \$640* of unused healthcare FSA funds into the next plan year

**Limits expected to increase in 2025*

CONVENIENCE CARD

If you choose to participate in the health care flexible spending account, you will receive an Ameriflex Convenience Card. The card gives you easy access to the funds in your employee-benefit account. You cannot use it at an ATM or to obtain “cash back” when making a purchase. You can use the card at Healthcare-related merchants, such as physician and dentist offices, vision care providers and hospitals.

HEALTH CARE FSA

The Health Care FSA allows you to use pre-tax dollars to pay for eligible healthcare expenses incurred by you or any other person whom you claim as a dependent on your federal income tax return. Set aside monies in your Health Care FSA for anticipated medical, prescription drug, dental and vision care expenses that are not covered at 100% by the health insurance plan.

DEPENDENT CARE FSA

If you have children, a disabled spouse, or elderly relatives, you know how important it is to have reliable and affordable care for them while you are at work. As long as you use dependent care services on a regular basis, you can take advantage of the Dependent Care FSA to help you pay for these expenses and get a tax break at the same time.

For an itemized list of eligible expenses that are reimbursable through your FSA account, visit www.irs.gov

YOUR PLAN RIGHTS

NEW HEALTH INSURANCE MARKETPLACE COVERAGE NOTICE

OPTIONS AND YOUR HEALTH COVERAGE

PART A: General Information

Due to the Affordable Care Act, there is another way to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the Marketplace and employment-based health coverage offered by BJ Baldwin Electric, Inc.

1. What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace typically begins in October for coverage starting as early as January the following year.

2. Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if you are not offered coverage by BJ Baldwin Electric, Inc. The savings on your premium that you're eligible for depends on your household income.

3. Does BJ Baldwin Electric, Inc Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you are eligible for the BJ Baldwin Electric, Inc Health Plan, it meets the standards required under the law. You will not be eligible for a tax credit through the Marketplace and may wish to enroll in the BJ Baldwin Electric, Inc Plan.

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered by BJ Baldwin Electric, Inc then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution - as well as your employee contribution to employer-offered coverage - is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after - tax basis.

How Can I Get More Information?

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit HealthCare.gov for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

PART B: Information About Health Coverage Offered by BJ Baldwin Electric, Inc

This section contains information about any health coverage offered by BJ Baldwin Electric, Inc. If you decide to complete an application for coverage in the Marketplace, you will be asked to provide this information. This information is numbered to correspond to the Marketplace application.

If you are not eligible for health insurance coverage through you and your family may be able to obtain health coverage through the Marketplace, with a new kind of tax credit that lowers your monthly premiums and with assistance for out-of-pocket costs.

1 An employer-sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs.

YOUR PLAN RIGHTS

Here is some basic information about health coverage offered by this employer:

1. As your employer, we offer a health plan to:

 Some employees. Eligible employees are:

➤ Employees regularly working 30 hours or more a week are benefit eligible after a 90-day waiting period

 With respect to dependents:

➤ We do offer coverage. Eligible dependents are:

➤ Your eligible dependents include your spouse, your children up to age 26 regardless of student status, and your children of any age who are mentally or physically disabled and depend upon you for support

If checked, this coverage meets the minimum value standard, and the cost of this coverage to you is intended to be affordable, based on employee wages.

**Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.

If you decide to shop for coverage in the Marketplace, HealthCare.gov will guide you through the process. Here's the employer information you'll enter when you visit HealthCare.gov to find out if you can get a tax credit to lower your monthly premiums.

WOMEN'S RIGHTS AND CANCER ACT NOTICE

Special Rights Following Mastectomy. A group health plan generally must, under federal law, make certain benefits available to participants who have undergone a mastectomy. In particular, a plan must offer mastectomy patients benefits for:

- Reconstruction of the breast on which the mastectomy has been performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance; Prostheses; and treatment of physical complications of mastectomy.

Our Plan complies with these requirements. Benefits for these items generally are comparable to those provided under our Plan for similar types of medical services and supplies. Of course, the extent to which any of these items is appropriate following mastectomy is a matter to be determined by consultation between the attending physician and the patient. Our Plan neither imposes penalties (for example, reducing or limiting reimbursements) nor provides incentives to induce attending providers to provide care inconsistent with these requirements.

Contact Sharon Lockwood for more information.

NEWBORNS AND MOTHER'S HEALTH PROTECTION ACT

Group health plans and health insurance issuers generally may not, under federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

MENTAL HEALTH PARITY AND ADDICTION EQUITY ACT OF 2009

This act expands the mental health parity requirements in the Employee Retirement Income Security Act, the Internal Revenue Code and the Public Health Services Act by imposing new mandates on group health plans that provide both medical and surgical benefits and mental health or substance abuse disorder benefits. Among the new requirements, such plans (or the health insurance coverage offered in connection with such plans) must ensure that:

The financial requirements applicable to mental health or substance abuse disorder benefits are no more restrictive than the predominant financial requirements applied to substantially all medical and surgical benefits covered by the plan (or coverage), and there are no separate cost sharing requirements that are applicable only with respect to mental health or substance abuse disorder benefits.

GENETIC INFORMATION NONDISCRIMINATION ACT OF 2008 (GINA):

The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits employers and other entities covered by GINA Title II from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by this law. To comply with this law, we are asking that you not provide any genetic information when responding to a request for medical information. 'Genetic information,' as defined by GINA, includes an individual's family medical history, the results of an individual's or family member's genetic tests, the fact that an individual or an individual's family member sought or received genetic services, and genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services.

UNIFORMED SERVICES EMPLOYMENT AND REEMPLOYMENT RIGHTS ACT OF 1994 (USERRA):

USERRA protects the job rights of individuals who voluntarily or involuntarily leave employment positions to undertake military service or certain types of service in the National Disaster Medical System. USERRA also prohibits employers from discriminating against past and present members of the uniformed services, and applicants to the uniformed services.

If you leave your job to perform military service, you have the right to elect to continue your existing employer-based health plan coverage for you and your dependents for up to 24 months while in the military. Even if you don't elect to continue coverage during your military service, you have the right to be reinstated in your employer's health plan when you are reemployed, generally without any waiting periods or exclusions (e.g., pre-existing condition exclusions) except for service-connected illnesses or injuries. For assistance in filing a complaint, or for any other information on USERRA, contact VETS at 1-866-4-USA-DOL or visit its website at <http://www.dol.gov/vets>.

NOTICE OF PATIENT PROTECTIONS:

Trustmark generally requires the designation of a primary care provider. You have the right to designate any primary care provider who participates in our network and who is available to accept you or your family members. For information on how to select primary care provider, and for a list of participating primary care providers, contact Trustmark at **800-848-3012**.

For children, you may designate a pediatrician as the primary care provider for the Trustmark Medical Plan.

You do not need prior authorization from Trustmark or from any other person(including a primary care provider) in order to obtain access to obstetrical or gynecological care from health care professional in our network who specializes in obstetrics and gynecology. The health care professional, however, may be required to comply with certain procedure, including obtaining prior authorization for certain services, following a pre-approved treatment plan , or procedures for making referrals. For a listing of participating healthcare professionals who specialize in obstetrics or gynecology, contact Trustmark at **800-848-3012**.

NOTICE REGARDING SPECIAL ENROLLMENT

This notice is being provided to make certain that you understand your right to apply for group health coverage. You should read this notice even if you plan to waive health coverage at this time.

LOSS OF OTHER COVERAGE

If you are declining coverage for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this Plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment within 30 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

Example: You waived coverage under this Plan because you were covered under a plan offered by your spouse's employer. Your spouse terminates employment. If you notify your employer within 30 days of the date coverage ends, you and your eligible dependents may apply for coverage under this Plan.

MARRIAGE, BIRTH OR ADOPTION

If you have a new dependent as a result of a marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, or placement for adoption.

Example: When you were hired, you were single and chose not to elect health insurance benefits. One year later, you marry. You and your eligible dependents are entitled to enroll in this Plan. However, you must apply within 30 days from the date of your marriage.

MEDICAID OR CHIP

If you or your dependents lose eligibility for coverage under Medicaid or the Children's Health Insurance Program (CHIP) or become eligible for a premium assistance subsidy under Medicaid or CHIP, you may be able to enroll yourself and your dependents. You must request enrollment within 60 days of the loss of Medicaid or CHIP coverage or the determination of eligibility for a premium assistance subsidy.

Example: When you were hired, your children received health coverage under CHIP and you did not enroll them in this Plan. Because of changes in your income, your children are no longer eligible for CHIP coverage. You may enroll them in this Plan if you apply within 60 days of the date of their loss of CHIP coverage.

The Plan is required by law to:

- Make sure that health information that identifies you is kept private;
- Give you this notice of the Plan's legal duties and privacy practices with respect to health information about you; and
- Follow the terms of the notice that is currently in effect.

HOW THE PLAN MAY USE AND DISCLOSE HEALTH INFORMATION ABOUT YOU

The following are the different ways the Plan may use and disclose your PHI:

- For Treatment. The Plan may disclose your PHI to a health care provider who renders treatment on your behalf. For example, if you are unable to provide your medical history as the result of an accident, the Plan may advise emergency room physicians about the types of prescription drugs you currently take.
- For Payment. The plan may use and disclose your PHI so claims for health care treatment, services, and supplies you receive from health care providers may be paid according to the Plan's terms. For example, the Plan may receive and maintain information about surgery you received to enable the Plan to process a hospital's claim for reimbursement of surgical expenses incurred on your behalf.
- To the Plan Sponsor. The Plan may disclose your PHI to designated personnel so they can carry out their Plan-related administrative functions, including the uses and disclosures described in this notice. Such disclosures will be made only to designated HR personnel so that they can carry out related administrative functions. These individuals will protect the privacy of your health information and ensure it is used only as described in this notice or as permitted by law. Unless authorized by you in writing, your health information: (1) may not be disclosed by the Plan to any other employee or department and (2) will not be used for any employment related actions and decisions or in connection with any other sponsored employee benefit plan.
- To a Business Associate. Certain services are provided to the Plan by third party administrators known as "business associates." For example, we may forward information about your health care treatment to our broker to assist with the claim processing. In doing so, we will disclose your PHI to the broker so he/she can perform their claim payment function. However, we will require its business associates to appropriately safeguard your health information.
- Health-Related Benefits and Services. The Plan may use and disclose your PHI to tell you about health-related benefits or services that may be of interest to you.
- Personal Representative Involved in Your Care. The Plan may also advise a family member or close friend about your condition, your location (for example that you are in the hospital) or death.
- As Required by Law. The Plan will disclose your PHI when required to do so by federal, state, or local law, including those that require the reporting of certain types of wounds or physical injuries.

SPECIAL USE AND DISCLOSURE SITUATIONS

The Plan may also use or disclose your PHI under the following circumstances:

- Lawsuits and Disputes. The Plan may disclose your PHI in response to a court or administrative order, a subpoena, warrant, discovery request, or other lawful process.
- Law Enforcement. The Plan may release your PHI if asked to do so by a law enforcement official (for example, to identify or locate a suspect, material witness, or missing person or to report a crime, the crime's location or victims, or the identity, description, or location of the person who committed the crime).
- Workers' Compensation. The Plan may disclose your PHI to the extent authorized by and to the extent necessary to comply with workers' compensation laws.

USES AND DISCLOSURES REQUIRING AUTHORIZATION

The plan is required to obtain plan participants' authorization to use or disclose psychotherapy notes, to use PHI for marketing purposes, to sell PHI, or to use or disclose PHI for any purpose not described in the notice. The Plan Administrator must obtain this authorization from the plan participant in writing. The plan participant may revoke this authorization anytime in writing by contacting the Plan Administrator at the address below:

Notice Effective Date: 1/1/2025

GENERAL NOTICE OF COBRA CONTINUATION COVERAGE RIGHTS

INTRODUCTION

You are receiving this notice because you recently gained coverage under a group health plan (the Plan). This notice has important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the Plan. This notice generally explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect the right to receive it.

Read this notice carefully to help understand your COBRA rights. Keep in mind that when you become eligible for COBRA, you may also become eligible for other coverage options that may cost less than COBRA continuation coverage.

The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you when you would otherwise lose your group health coverage. It can also become available to other members of your family who are covered under the Plan when they would otherwise lose their group health coverage. This notice does not fully describe COBRA continuation coverage or other rights under the Plan. For additional and more complete information about your rights and obligations under the Plan and under federal law, you should review the Plan's Summary Plan Description or contact the Plan Administrator.

You may have other options available to you when you lose group health coverage. For example, you may be eligible to buy an individual plan through the Health Insurance Marketplace. By enrolling in coverage through the Marketplace, you may qualify for lower costs on your monthly premiums and lower out-of-pocket costs. Additionally, you may qualify for a 30-day special enrollment period for another group health plan for which you are eligible (such as a spouse's plan), even if that plan generally does not accept late enrollees.

WHAT IS COBRA CONTINUATION COVERAGE?

COBRA continuation coverage is a continuation of Plan coverage when it would otherwise end because of a life event known as a "qualifying event." Specific qualifying events are listed later in this notice. After a qualifying event, COBRA continuation coverage must be offered to each person who is a "qualified beneficiary." You, your spouse and your dependent children could become qualified beneficiaries if coverage under the Plan is lost because of the qualifying event. Under the Plan, qualified beneficiaries who elect COBRA continuation coverage may be required to pay for COBRA continuation coverage.

EMPLOYEE If you are an employee, you will become a qualified beneficiary if you lose your coverage under the Plan because either of the following qualifying events happens:

- Your hours of employment are reduced, or
- Your employment ends for any reason other than your gross misconduct.

SPOUSE If you are the spouse of an employee, you will become a qualified beneficiary if you lose your coverage under the Plan because any of the following qualifying events happens:

- Your spouse dies;
- Your spouse's hours of employment are reduced;
- Your spouse's employment ends for any reason other than his or her gross misconduct;
- Your spouse becomes entitled to Medicare benefits (under Part A, Part B or both); or You become divorced or legally separated from your spouse. In the event your spouse, who is the employee, reduces or terminates your coverage under the Plan in anticipation of a divorce or legal separation that later occurs, the divorce or legal separation may be considered a qualifying event even though the coverage was reduced or terminated before the divorce or separation.

DEPENDENT CHILDREN Your dependent children (including any child born to or placed for adoption with you during the period of COBRA coverage who is properly enrolled in the Plan and any child of yours who is receiving benefits under the Plan pursuant to a qualified medical child support order) will become qualified beneficiaries if they lose coverage under the Plan because any of the following qualifying events happens:

- The parent-employee dies;
- The parent-employee's hours of employment are reduced;
- The parent-employee's employment ends for any reason other than his or her gross misconduct;
- The parent-employee becomes entitled to Medicare benefits (Part A, Part B or both);
- The parents become divorced or legally separated; or
- The child stops being eligible for coverage under the plan as a "dependent child."

GENERAL NOTICE OF COBRA CONTINUATION COVERAGE RIGHTS (CONTINUED)

RETIREE COVERAGE

Sometimes, filing a proceeding in bankruptcy under title 11 of the United States Code can be a qualifying event. If a proceeding in bankruptcy is filed with respect to the Company, and that bankruptcy results in the loss of coverage of any retired employee covered under the Plan, the retired employee will become a qualified beneficiary. The retired employee's spouse, surviving spouse, and dependent children will also become qualified beneficiaries if bankruptcy results in the loss of their coverage under the Plan.

WHEN IS COBRA COVERAGE AVAILABLE?

The Plan will offer COBRA continuation coverage to qualified beneficiaries only after the Plan Administrator has been notified that a qualifying event has occurred. The employer must notify the Plan Administrator of the following qualifying events:

- The end of employment or reduction of hours of employment;
- Death of the employee;
- COMMENCEMENT OF A PROCEEDING IN BANKRUPTCY WITH RESPECT TO THE COMPANY;] OR
- The employee's becoming entitled to Medicare benefits (under Part A, Part B or both).

For all other qualifying events (divorce or legal separation of the employee and spouse or a dependent child's losing eligibility for coverage as a dependent child), you must notify the Plan Administrator within 60 days after the qualifying event occurs. You must provide this notice to: Sharon Lockwood. The Plan procedures for this notice, including a description of any required information or documentation, can be found in the most recent Summary Plan Description or by contacting the Plan Administrator. If these procedures are not followed or if the notice is not provided in writing to the Plan Administrator during the 60-day notice period, you will lose your right to elect COBRA continuation coverage.

HOW IS COBRA COVERAGE PROVIDED?

Once the Plan Administrator receives timely notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect COBRA continuation coverage. Covered employees may elect COBRA continuation coverage on behalf of their spouses, and parents may elect COBRA continuation coverage on behalf of their children. If COBRA continuation coverage is not elected within the 60-day election period, a qualified beneficiary will lose the right to elect COBRA continuation coverage. COBRA continuation coverage is a temporary continuation of coverage.

- When the qualifying event is the death of the employee, the employee's becoming entitled to Medicare benefits (under Part A, Part B or both), your divorce or legal separation, or a dependent child's losing eligibility as a dependent child, COBRA continuation coverage may last for up to a total of 36 months.
- When the qualifying event is the end of employment or reduction of the employee's hours of employment, COBRA continuation coverage generally lasts for only up to a total of 18 months. There are two ways in which this 18-month period of COBRA continuation coverage can be extended.

Also, when the qualifying event is the end of employment or reduction of the employee's hours of employment, and the employee became entitled to Medicare benefits less than 18 months before the qualifying event, COBRA continuation coverage for qualified beneficiaries other than the employee lasts until 36 months after the date of Medicare entitlement. For example, if a covered employee becomes entitled to Medicare 8 months before the date on which his employment terminates, COBRA continuation coverage for his spouse and children can last up to 36 months after the date of Medicare entitlement, which is equal to 28 months after the date of the qualifying event (36 months minus 8 months).

DISABILITY EXTENSION

If you or anyone in your family covered under the Plan is determined by the Social Security Administration to be disabled and you notify the Plan Administrator in a timely fashion, you and your entire family may be entitled to get up to an additional 11 months of COBRA continuation coverage, for a total maximum of 29 months. The disability would have to have started at some time before the 60th day of COBRA continuation coverage and must last at least until the end of the 18-month period of continuation coverage. The Plan procedures for this notice, including a description of any required information or documentation, the name of the appropriate party to whom notice must be sent, and the time period for giving notice, can be found in the most recent Summary Plan Description or by contacting the Plan Administrator. If these procedures are not followed or if the notice is not provided in writing to the Plan Administrator during the 60-day notice period and within 18 months after the covered employee's termination of employment or reduction of hours, there will be no disability extension of COBRA continuation coverage. The affected individual must also notify the Plan Administrator within 30 days of any final determination that the individual is no longer disabled.

GENERAL NOTICE OF COBRA CONTINUATION COVERAGE RIGHTS (CONTINUED)

SECOND QUALIFYING EVENT EXTENSION

If your family experiences another qualifying event during the 18 months of COBRA continuation coverage, the spouse and dependent children in your family can get up to 18 additional months of COBRA continuation coverage, for a maximum of 36 months, if notice of the second qualifying event is properly given to the Plan. This extension may be available to the spouse and any dependent children receiving COBRA continuation coverage if the employee or former employee dies, becomes entitled to Medicare benefits (under Part A, Part B or both) or gets divorced or legally separated; or if the dependent child stops being eligible under the Plan as a dependent child. This extension is only available if the second qualifying event would have caused the spouse or dependent child to lose coverage under the Plan had the first qualifying event not occurred.

The Plan procedures for this notice, including a description of any required information or documentation, the name of the appropriate party to whom notice must be sent, and the time period for giving notice, can be found in the most recent Summary Plan Description or by contacting the Plan Administrator. If these procedures are not followed or if the notice is not provided in writing to the Plan Administrator during the 60-day notice period, there will be no extension of COBRA continuation coverage due to a second qualifying event.

ARE THERE OTHER COVERAGE OPTIONS BESIDES COBRA?

Yes. Instead of enrolling in COBRA continuation coverage, there may be other coverage options for you and your family through the Health Insurance Marketplace, Medicaid or other group health plan coverage options (such as a spouse's plan) through what is called a "special enrollment period." Some of these options may cost less than COBRA continuation coverage. You can learn more about many of these options at www.healthcare.gov.

IF YOU HAVE QUESTIONS

Questions concerning your Plan or your COBRA continuation coverage rights should be addressed to the contact or contacts identified below. For more information about your rights under ERISA, including COBRA, the Patient Protection and Affordable Care Act and other laws affecting group health plans, contact the nearest Regional or District Office of the U.S. Department of Labor's Employee Benefits Security Administration (EBSA) in your area or visit www.dol.gov/ebsa. (Addresses and phone numbers of Regional and District EBSA Offices are available through EBSA's website.) For more information about the Marketplace, visit www.healthcare.gov.

KEEP YOUR PLAN INFORMED OF ADDRESS CHANGES

To protect your family's rights, let the Plan Administrator know about any changes in the addresses of family members. You should also keep a copy, for your records, of any notices you send to the Plan Administrator.

MEDICARE PART D CREDITABLE COVERAGE NOTICE

IMPORTANT NOTICE ABOUT YOUR PRESCRIPTION DRUG COVERAGE AND MEDICARE

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.

[NAME] has determined that the prescription drug coverage offered by [NAME] is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

WHEN CAN YOU JOIN A MEDICARE DRUG PLAN?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15 to December 7. However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

WHAT HAPPENS TO YOUR CURRENT COVERAGE IF YOU DECIDE TO JOIN A MEDICARE DRUG PLAN?

If you decide to join a Medicare drug plan, your current NAAA coverage may (or may not) be affected. Please contact us for more information about what happens to your coverage if you decide to enroll in a Medicare Part D program. If you do decide to join a Medicare drug plan and drop your current coverage, be aware that you and your dependents will (or will not) be able to get this coverage back.

WHEN WILL YOU PAY A HIGHER PREMIUM (PENALTY) TO JOIN A MEDICARE DRUG PLAN?

You should also know that if you drop or lose your current coverage with UnitedHealthcare and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

NOTE: You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through changes. You also may request a copy of this notice at any time.

FOR MORE INFORMATION ABOUT YOUR OPTIONS UNDER MEDICARE PRESCRIPTION DRUG COVERAGE...

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

- Visit www.medicare.gov
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at www.socialsecurity.gov, or call them at 1-800-772-1213 (TTY 1-800-325-0778).

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

PREMIUM ASSISTANCE UNDER MEDICAID AND THE CHILDREN'S HEALTH INSURANCE PROGRAM (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial 1-877-KIDS NOW or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call 1-866-444-EBSA (3272).

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2021. Contact your State for more information on eligibility
